DISTRICT CHOIR REHEARSAL EXPECTATIONS

1. Each student will have his or her own music and pencil for all rehearsals.
2. Each student will sing only the part for which he or she was assigned or auditioned.
3. Each student will sit in his or her assigned seat during every rehearsal unless officially changed.
4. Each student will stay on task at all times and talking will be allowed only at designated times by the conductor.
5. Each student is to know all the music selected for the District Choir before coming to the first rehearsal.
6. Each student is to maintain proper posture while in the process of singing, i.e. sit up straight in chair, both feet on the floor, music up with eyes on the conductor.
7. No food or beverage will be consumed during rehearsals or permitted to be brought to the rehearsal area with the exception of bottled water.
8. No gum chewing will be permitted during the rehearsals.
9. Each student must be in place when the conductor begins each rehearsal.
10. When necessary, students will be housed in a motel/hotel or private homes close to the host school. Whenever possible, at least two students from each school will be housed in the same room/house. No housing assignments will be changed by the student.
11. Members of the District Choir may not miss any rehearsal unless they are missing a rehearsal for a Virginia High School League sponsored competition conflicting with the time of All-District Chorus. If this is the case, students may only miss one rehearsal. One rehearsal is defined as break to break. Names of any student involved in such a conflict must be given to the All-District Chorus Chairman prior to the event. The Chairman is responsible for determining a ruling with the District Chorus Committee.
12. Students will not leave the designated building or grounds of the sanctioned event unless expressly permitted by the All-District Chorus Committee.

REHEARSAL CONSEQUENCES

A warning will be given to the student who breaks any of the above and the student's director will be informed of the problem. If the student breaks any of the above a second time, he or she will be dismissed from the District Choir and the parents will be expected to be available to come pick up their child when called. If a student leaves the designated building or grounds without permission, they will not be allowed to complete the weekend. No monies will be refunded. A letter to the director, principal, and parents or guardian will be sent to inform all concerned.

Students will be made aware of these expectations by their director prior to the District Choir Weekend. It is then the student's responsibility to conduct him/herself as an outstanding choral student who has achieved one of the highest honors in choral music.
